

# WVMA

## VIRTUAL WINTER MEETING

**December 11 - 12, 2020**

*2020 Winter Meeting - Visit [www.wyvma.org](http://www.wyvma.org) to register online*

**Wyoming Veterinary Medical Association**  
PO Box 241  
Timnath, CO 80547

### FORMAT

Live presentations using Zoom. The controlled substance CE recording will be available after the meeting through January 31, 2021.

1. Register online (preferred) or by mail
2. A copy of your registration will be emailed to you once it is processed.
3. Four (4) Zoom links will be emailed to you the week of the meeting - One for each session.
4. On December 11-12, click on the session links to participate in the LIVE sessions.

### FAQS

**Can I register for just the Controlled Substance CE?** Yes, for \$60 you can register for just that 4 hr. session and be emailed only that session link.  
**Can I watch the Controlled Substance CE after December 12th?** Yes, it will be recorded and available December 18 – January 31, 2021. The fee will remain the same – \$60. You can register before or after the meeting for access through January 31, 2021. Online purchase only after December 4th.

**Will there be viewing sites as previously mentioned?** No, after reviewing the member survey results and considering the current situation, the WVMA Board decided not to host viewing sites.

## 2020 VIRTUAL WINTER MEETING

### **CE Hours Offered = 16 Scientific**

**Includes** 4 hrs. of Controlled Substance CE to fulfill licensing requirement

#### Friday, December 11

**(4 credits) 8 AM - 12 PM - Tamara Grubb, DVM, PhD, Diplomate ACVAA**  
Washington State University  
Pullman, WA

#### ***Get to the Point: Video Presentation of Local/Regional Anesthetic Block Techniques***

—Local anesthetics are powerful drugs with a unique (and inexpensive) role in pain management — they STOP pain. We will discuss why local anesthetic blockade is recommended for every painful procedure and will view step-by-step videos.

#### ***Anesthesia & Analgesia Practice Pearls, Updates and Tips***

— What is new? What has changed? What can make anesthesia safer? What is most effective for analgesia? We will answer these questions and more in a seminar geared to send every attendee home with something new or different to try in their practice.

#### **(4 credits) 1 - 5 PM - Steven Roberts, DVM, DACVO**

Animal Eye Center  
Loveland, CO

#### ***Ocular Surface Diseases – How Can I Deal With All These Problems?***

#### ***Corneal Ulcers – Making Sense of the Simple and Complicated!***

#### ***Why is Inflammation Inside the Eye So Confusing and Challenging?***

#### **(4 credits) Saturday, December 12**

8 AM - 12 PM - Janet E. Woods

Leawood, KS

Sponsored by Epicur Pharma

#### ***Controlled Substances 101: How & Why You Must Comply!***

—The purpose of this presentation is to increase the DVM, Practice Managers and Licensed Technician's Federal, State and DEA regulatory compliance awareness, meet opioid continuing education requirements, reduce risk and discuss improved and simplified controlled substance record keeping and inventory controls for the veterinary clinic/hospital.

#### **(4 credits) 1 - 5 PM - Wyoming State Veterinary Laboratory**

Will Laegreid, DVM, PhD et al.  
Laramie, WY

**Case Studies** – The mission of the Department of Veterinary Sciences and Wyoming State Veterinary Laboratory is to provide accessible, timely, accountable, and accurate diagnostic services, animal disease research, & education to veterinarians, students, others interested in animal health, and the people of Wyoming.
